

OCTOBER 19, 2019

*Bellevue Lions Club Presents*

## Welcome, Race Participants!

The Bellevue Lions Club is hosting a race for people who hate running. Have you ever watched a 5K and thought, "*That would be fun, if it wasn't for the running part.*"? Now you can have your donut and eat it, too! This race is for the underachievers and the procrastinators. The half kilometer run starts with a beer (or water) before the race, as well as donut, popcorn and Jello shot (with and without alcohol) stations throughout. We'll wrap up the event with football and a chili cook-off! This event is for the entire family and will be kid friendly!
